When to refer a student to a **tutor**

- Are they finding this particular course challenging and could use some extra support with the concepts?
- Are they doing well, but could use a peer group base to provide more motivation?

When to refer a student to an **academic coach**

- Are they facing similar challenges in two or more courses?

When to refer a student to a **writing tutor**

- Could they use more help in construction of an essay?
- Could they use extra support with citations and references?

When to refer a student to a **study group**

- Is the student seeking a peer group or could benefit from regular meetings to keep on track with coursework?
